

INTERMODE OPEN WEEKEND - ANGLESEA

We are pleased to invite you to a special Open Weekend for an Intermode designed house in Anglesea, Victoria.

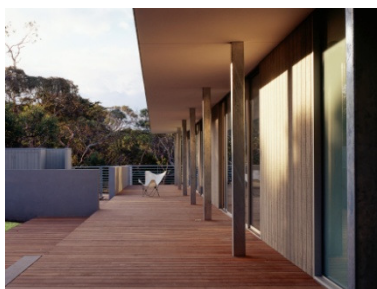

The magnificent 4 bedroom, 2 bathroom home will be open for viewing for two days only so jump in the car and take a drive to the Great Ocean Road and experience the simple, modern design of Intermode for yourself.

Constructed utilising our 'light' colour scheme, the house demonstrates the use of the spacious "Intermode Room Modules", connecting the Kitchen/Living/Dining module with Standard Bedroom modules, Bathroom/Laundry modules and a Master Bedroom module to create a functional and beautiful coastal home.

The house is positioned to capitalise on the use of the lawn and decked areas for alfresco entertaining and all rooms have sliding floor to ceiling double glazed windows to allow cross ventilation and access to the deck from any room in the house.

Constructed in only 14 weeks, this home is an excellent example of the high quality, architect designed finished product you can achieve simply, quickly and cost effectively.

Also available for viewing will be finishes boards, other example plans, images of other Intermode houses and also our soon to be launched '09 urban two storey models.
